

## THE SALKIND PIANO DUO LEGACY

The Salkind International Piano Duo Festival honors the legacy of the distinguished American duo, Milton & Peggy Salkind. As graduates of The Julliard School, the Salkind Duo performed extensively throughout the United States, Canada, and Europe. Milton & Peggy Salkind enriched the four-hand literature by commissioning works from eleven American composers. Appointed president of the San Francisco Conservatory of Music in 1966, Milton Salkind guided the Conservatory for twenty-four years through its first great period of expansion. Peggy Salkind recently retired from the Conservatory after thirty-eight years of teaching piano and fifteen years as chair of the piano department.
